**CANTERBURY JUNIOR TENNIS TEAM SEEDINGS**

- Players can only challenge within their own team without permission from Shane.
- Players must accept a challenge and play within a week.  
If not, the challenger takes your (number/place) seeding in the team. (You are defaulted and will move down the playing order.)  
Players can only challenge one place above.
- 1... If the defender (the higher seed) WINS, they can NOT be challenged again this season by the same player. If the lower player/ seeding changes, as result of a lower seed/player winning, the defender can be challenged by this player.
- 2... If the challenger WINS, the loser (the defender) can challenge back. (The defender may choose not to, if not, you take their place.) If the defender plays and WINS the return match, you remain in the same seedings.
- 3... If the challenger again WINS the return match, the challenger moves up in the seedings.
- The winning player can challenge the next highest number.
- The results must stand for this season.

**PLEASE NOTE...**Players have earned their seedings by effort and championship results in the past season so they have to lose twice (if they choose to) to lose their seeding/place in the team.
